Welcome

Welcome to Stonington Natural Health Center. We are so glad you are here.

Here at Stonington Natural Health Center, we provide *Holistic Healthcare for the Whole Family in a Tranquil Waterfront Setting*. We offer Acupuncture & Chinese Medicine Treatments, the SNHC Customized Massage which is a combination of Swedish and Deep Tissue Massage to your desired level of pressure, Qi Gong Energy Work, Nutrition from a Chinese Medicine perspective, and Herbal Consultations.

Our treatments help you to feel better, breathe more deeply, rejuvenate, and let go of your worries. Your body, mind, and spirit will thank you. This is your time to relax and heal, initiate and speed up the healing process of your body, so that you can live a longer, healthier, and happier life.

For injuries, pain, and health problems, you will receive the most benefit when you come in before the effects of the previous treatment disappear. Your practitioner will give you a treatment protocol recommendation. It is often recommended to group your treatments close together, perhaps daily, twice a week or three times per week. During times of stress, anxiety, or depression, it is helpful to come in for Acupuncture and Massage treatments anywhere from once a week to daily. Slow and steady wins the race, as we shift the energy over. Once you are feeling better, we slowly space the treatments apart as the positive effects hold. Our goal is to shift the pattern of your energy, with long lasting effects, to get you better and create long-term good health. Once you are feeling great, regular tune-ups are important to maintain good health.

If you have any questions, concerns, or feedback, please talk with us, call us at 860-536-3880, or email us at info@snhc.com.

We appreciate this opportunity to contribute to you on your path towards optimal health and happiness.

FINANCIAL POLICIES FOR TREATMENT AND CARE

Your treatment time is reserved for you. To change, reschedule, or cancel an appointment, please call **at least two business days, 48 business hours, before your appointment time.** This gives us time to fill your appointment. If no one answers, please leave a message. For Monday appointments, please call by Thursday. For Tuesday appointments, please call by Friday.

"**Minimum 48 Hours Cancellation Policy": Because we have made preparations and staffing for your appointment, we ask for at least two business days, 48 business hours notice to reschedule or cancel your appointment. With LESS THAN 24 BUSINESS HOURS, your credit card will be charged for your appointment or treatment packages will have one treatment deducted.**

We appreciate your cooperation as this is **vitally important for our mutual success.** We make reminder texts or calls as a courtesy; you are ultimately responsible, however, for coming to your appointments. It is also our courtesy that if you or we are able to fill your appointment, you will not be charged, and we encourage you to substitute a friend or family member.

If you are running late, please call or text to let us know. We would rather you come and have a shorter treatment than miss your appointment. Ideally, please arrive a few minutes before your appointment to use the restroom, make purchases, set up your next appointments, and unwind.

Payment: In an attempt to keep health care costs low, preferred methods of payment are cash or check. Payment is required at the time of your service. We also accept credit cards.

Treatment Plans: Dr. Marco and/or your Licensed Massage Therapist will develop your treatment plan to help you accomplish your goals and feel your best. Follow your Treatment Plan to achieve optimal results. If it has been over a year or if you would like more time to discuss your health history, it is recommended to come in for a ReActivation appointment to go over your health information.

Treatment Packages and Massage Memberships: (1) make check-out easier, (2) lower the price, and (3) help you complete your treatment goals. Treatment Packages and Massage Memberships are not refundable, can only be used for the services purchased, and expire one year after purchase.

Return Policy: Treatment Packages and Memberships, Gift Certificates, and products are non-refundable. We guarantee quality and cannot sell returned herbs, supplements, or products.
